THE MOODY DRY GOODS CO.

Performance Follows Promise.

In this store, just as sure as night follows day, there is much, haphazard advertising nowadays, promises lightly made and easily broken; statements sent broadcast through the public prints, stripped of every shred of truth. Such advertising never did and never will pay. Our ads, however, mirror our merchandise; what we say is so, and the people believe in us. A store and public, pulling this together, are bound to be of mutual benefit to each other. Many excellent values in the following list. Will you be among the first to investigate?
